

BEHANBROS

Behan Bros is a General Contracting and Construction Management Company and since 1973 we have set a standard of excellence in projects ranging from expansive luxury homes, to large and technically demanding commercial structures.

We are currently hiring multiple experienced Residential and Commercial Construction Supervisors in the Rhode Island Area. Successful candidates will have experience in a supervisory role in residential and light commercial settings.

Job Duties:

- Ensure the construction process is progressing at an appropriate pace, report on progress to Project Manager.
- Facilitate subcontractor and vendor 3-week lookaheads, and subcontractor foreman project and safety meetings.
- Interpret sketches, drawings, plans and blueprints and lay out work as specified.
- Facilitate field report directives with project team (design, third party inspections, AHJ, Owner Representative, etc.).
- Inspect all aspects of construction for quality standards. Address deviations, errors, and necessary repairs to meet construction documents.
- Communicate any production, quality, or labor issues with the Project Manager in a timely manner.
- Perform hands-on labor tasks as needed, including but not limited to: Pick-up and deliver materials; operate equipment, trucks, and tools.
- Establish and maintain positive working relationships with vendors and subcontractors.
- Ensure the utmost standards of quality of work in respect to safety and performance. Maintain clean and safe project sites.
- Will be working near moving equipment and machinery, power tools. Must be able to operate both hand and power tools, including saws, drills, hammers, etc.
- Must be able to lift, push, pull, and carry up to 100 pounds on a frequent basis.
